PRAYERADIGM *SHIFT* SPECIAL NOTES

Lessons

- Event materials are divided into 14 Lessons. The first twelve lessons each have a 20-45 minute video, and the last two lessons include spending one hour with God followed by a time of group discussion and visioning. (Note: Lesson videos are taken from 5 sermons, which are available on the website.)
- Lessons are a combination of videos, group discussion, and prayer times. The 14 Lessons are designed to be completed in 7 meetings. But this schedule can be adjusted for your group!
- Video messages will be made available online on February 25 and will be accessible after this weekend for future use.

Leader's Guide

- A Leader's Guide has been created to provide lesson outlines as well as group discussion questions and prayer focuses. This guide is very helpful, so be sure to get a copy from the website.

Scheduling

- Think creatively about how to tailor this weekend and adjust the schedule to best meet the needs of your group.
- Sabbath morning is left open for church services as usual. Churches have the option to build a prayer emphasis into their service, or use a message from Pavel Goia during the service.
- You will likely not get through all 14 Lessons during one weekend, so find follow-up times for your group to meet again. Lessons 6-14 are designed to be completed in 4 additional meetings (plan 2 hours for each meeting).
